

The Original Neighborhood Eatery

Our Story

The Village Tavern and Grill of Carol Stream opened on June 27th 1996 with the vision to provide quality food, great service, and generous portions at a fair price in a friendly environment. Over the years we have become known for several of our original appetizers and main dishes including our "World Famous" Chicken Fingers, the Huge Nachorama Platter, Baby Back Ribs and many others.

Our Community

Throughout the years we have made it our mission to "Make a Difference". We do this in many ways including being the first to give back to local organizations, youth sports teams, charities, schools, churches, and other charitable organizations. Check out our "Eat Out to Help Out Program".

Our Philosophy

We strive to be a responsible & sustainable business. We are constantly upgrading our fixtures and equipment to be the most modern and as energy efficient as possible. We use recyclable or biodegradable carry-out containers..
